

I Still Call Australia Home

Composed by Peter Allen (1944 – 1992)

Version from *The Boy From Oz*, the musical

I've been to cities that never close down
From New York to Rio and old London town
But no matter how far or how wide I roam
I still call Australia home

All the sons and daughters spinning 'round the world
Away from their family and friends
But as the world gets older and colder
It's good to know where your journey ends

But someday, we'll all be together once more
When all of the ships come back to the shore
Then I realise something I've always known
I still call Australia home

All the sons and daughters spinning 'round the world
Away from their family and friends
But as the world gets older and colder
It's good to know where your journey ends

But someday, we'll all be together once more
When all of the ships come back to the shore
Then I realise something I've always known
I still call Australia home

[Outro]

(But no matter how far or wide I roam)
I still call Australia
I still call Australia
I still call Australia home _____
