

One Small Voice.

Jeff Moss and Roger Emerson

(Solo opportunity)

One small voice can teach the world a song

Start with one small voice 'till another joins along

Then you'll feel the music growing full and sure and strong

One small voice can teach the world a song.

Pt 1 and 2: Every song the world sings, each was once unknown

Somebody felt a song inside and wasn't afraid to sing along

If you feel the music and you sing it clear and true

Then the world can sing with you,

Oh, one small voice can teach the world a song

Start with one small voice till another joins along

Then you'll feel the music growing full and sure and strong

One small voice can teach the world a song.

Pt 1: No tune is too simple, no voice can be wrong

Pt 2: No tune too simple, no voice is wrong

Pt 1: Music can come from any heart, and anyone's voice can lead the song

Pt 2: Music from your heart, anyone's voice can lead the song

Pt 1 and 2: If you feel the music and if you believe the words

Sing and you'll be heard.

Pt 1 Be heard, be heard

Oh one small voice can teach the world a song

Start with one small voice 'till another joins along

Then you'll feel the music growing full and sure and strong

One small voice can teach the world a song, a song.

One small voice can teach the world a song

Start with one small voice till another joins along

Then you'll feel the music growing full and sure and strong

One small voice can teach the world a song.
